PROFESSIONAL EXPERIENCE

Interior Design Intern

Glow Investment Group

Houston, Texas
Feb 2018 to Mar 2020
(COVID-19 Layoff)

- Designed spaces for 1000+ square-foot projects, focusing on creating functional living spaces
- Created 10 floor plans, electrical, furniture plans for both commercial and residential projects using AutoCad
- Assisted with choosing the FF&E
- Coordinated between client's needs and my perspective, through advising customers on the interior design factors, such as space planning, layout, and utilization of the furniture and accessories based on their needs and requests
- Created and presented 3D renderings to accurately demonstrate design concepts, layout and scale

Interior Designer

Khai Thien Furnishing

VietNam
Nov 2016 to Oct 2017

- Collaborated with the design team to manage workload and deadlines and maintained project schedule and budgets
- Coordinated with clients, architects, construction personnel, installation personnel, and design team to achieve project deliverables
- Scheduled and attended site visits to measure and photograph spaces, and review and approve information and installations
- Planned, designed, and furnished residential properties to create unique living spaces
- Met with clients to establish decor needs and used AutoCAD to create custom project proposals in alignment with client budget, tastes, and timeframes

Store Decorator

BaYa Furniture & Decoration

VietNam
Jul 2016 to Oct 2016

- Used design skills to display the products of the business and create the spaces in new trends for the store
- Communicated with customers to help choosing the right items

Interior Design (Entry-Level)

Inter Art Sai Gon

VietNam
Apr 2016 to Jun 2016

- Spaced planning to meet the customer's requests using standards if applicable
- Provided multiple ideas and concepts for residential interior designing projects
- Utilized AutoCAD and 3-D rendering programs and techniques to develop interior renderings for the project

3D Artist

Alpha Idea

VietNam
Sep 2015 to Feb 2016

- Created 3D models from 2D drawings in 3ds Max and V-Ray, then enhancing images using Photoshop
- Applied textures to the models and providing appropriate lighting techniques

CAD Drafter

TTT Corporation

VietNam
Jun 2015 to Aug 2015

- Created 2D shop drawings for production; include dimensions, details, and notes
